Moderate rolling hills of clay, chalk, slate and schist

GRAPE VARIETY

100% Mencía

VINES AGE AND ALTITUDE ABOVE SEA LEVEL

Pre-filoxera vines 100 years old up to 700 m

WINEMAKING

Single vineyard harvested by hand bunch by bunch, fermented in 600 L roto-fermentors with its natural yeasts and aged for 16 months in French oak with another 36 extra months in bottle.

TASTING

Wine of elegant garnet colour, complex nose with remarkable aromas of jammy wild berries, fennel, Cuban cigar, black truffle, and very refined silky palate.

DRINKING

It could be served with intense-flavoured recipes such as stews, game or lamb and would be great if you open and decant the wine 30 minutes before taste. Recommended temperature around 16°C.
